

Remote Work, Hybrid & Expense Policy

LALA Company Operational Guidelines

This policy defines the standards, eligibility, and reimbursement processes for remote work setups, hybrid scheduling, and business travel expenses at LALA Company.

1. Remote & Hybrid Work Rules

LALA Company supports flexible working arrangements to promote work-life balance while maintaining operational excellence and team collaboration.

1.1 Work Model Definitions

- **Fully Remote:** Employees approved to work 100% from an off-site location (e.g., home office).
- **Hybrid:** Employees split time between the office and remote locations, requiring a minimum of **2 days per week** on-site.
- **On-Site:** Roles requiring physical presence at a LALA Company facility 5 days per week.

1.2 Core Hours & Responsibilities

- **Availability:** Remote and hybrid employees must be accessible on Slack and email during core operational hours (9:00 AM – 3:00 PM local time).
- **Workspace Safety:** Employees must maintain a safe, ergonomic, and secure workspace free from unnecessary distractions.
- **Data Security:** All work must be conducted via company-issued devices using secure VPN connections. Public Wi-Fi networks must not be used without active VPN protection.

2. Home Office Setup Allowance

To ensure team members have an ergonomic and productive working environment, LALA Company provides financial support for home office infrastructure.

2.1 Allowance Schedule

Allowance Type	Amount (USD)	Frequency	Eligible Items
Initial Setup Stipend	\$500	One-time (upon hire)	Desk, ergonomic chair, external monitors, keyboard/mouse, docking station.
